On this trip students will have the opportunity to learn what the purpose of mission trips is, practice sharing the good news of Jesus, grow in relationship with other teens who are following Jesus, learn about the Ojibwa culture and love others by actively serving them by building and then delivering beds to children in need.

This is a two part event. During the first part we will build the beds for children in need at a half day event in Medford partnering with SHP. The second part of the event is going up to Lac Du Flambeau having the Swenson's house be home base for us to do the following:

THURSDAY - Arrival at the Swenson's, Team Building & Orientation

FRIDAY - Mission Training & Cultural Learning Activities

SATURDAY - Bed Delivery Day

SUNDAY - Outdoor Church Service, Activity & Head Home
