

## **Welcome to First Baptist Church**

First Baptist Church is a multi-generational, family-focused Converge affiliated church who seeks to treasure God and love people well. The church has a weekly attendance of around 350 and is situated in the close knit city of Medford, WI. In addition to our church building, FBC has a youth center located near Medford High School for outreach to local students.

Our congregation is eager to hear God's word from the pulpit and to see it proclaimed in our community. Our history of strong, expository preaching informs our search for our Next Gen Pastor. We are hopeful that God will provide a faithful leader who will build on this heritage and equip our body to continue the work of ministry in Medford for years to come.

## **About the Next Gen Pastor Position**

Our Next Gen Pastor will oversee all kids' and teens' ministries of the church - from ages 0 to 18. Working with numerous volunteers and the Youth Group Director, his aim is to lead in making disciples of young people by pointing them to see God as their greatest treasure and to love others as Christ loves them.

This role will require a person who can evaluate and cast vision for kids and teens' ministries of FBC, both at the church and at the youth center, leading them to grow in their relationship with Christ. He will be responsible for training and building skills in the Youth Group Director and volunteers to ensure that programs engage youth and build the faith of children of all ages. We desire a person who can connect well with kids, teens, and their parents. We desire a person with the ability to deliver sound teaching, and who can preach God's word in the pulpit on occasion.

We hope for a Next Gen Pastor who is energetic, relational, humble, and transparent in his journey, ready to serve with us and be cared for by us, as we are cared for by him.

## **Welcome to Medford, WI**

Medford is an active city on the edge of Wisconsin's beautiful Northwoods. With a population of 4,300, Medford sounds smaller than it feels. An additional 30,000 people live in the surrounding rural areas and the population swells during the work hours of Medford's many thriving industries. This gives our church a less rural feel than one might anticipate and allows First Baptist to draw from well beyond the city limits as we seek continued growth.

Medford is truly a gateway to the great outdoors. Within an hour of town, outdoor enthusiasts will find almost unlimited paddling, biking, hiking, fishing, and hunting opportunities on the lakes, rivers, trails, and public lands in Northern Wisconsin. In addition to outdoor recreation options, Medford is located within an hour of two larger cities - providing additional shopping, restaurants, and entertainment options.
